

Home Care Business Opportunity for Sale Auckland

BUSINESS OPPORTUNITY

Become an **independent contractor** responsible for **generating growth** in your community.

To us, it's personal.

Run your own business within our successful home care business!

We are a leading global brand with a local community focused feel!

Established in 1994, Home Instead now provides care across a network of over 1200 offices in 13 countries around the world and we are now looking to expand our highly successful relationship based home care model in New Zealand through an Agent Model.

Home Instead started in Auckland just over 2 years ago and already employs more than 70 employees and has supported hundreds of clients in this short time frame.

As a Home Instead Agent you will be an independent contractor responsible for generating growth through client referrals and client sign-up's by building relationships and brand awareness within your local community, primarily in the health sector.

Business Resources

We work in partnership with our Agents. To set you up for success, you will receive:

- Monthly Trailing commission
- Monthly support payment of \$2000/month for the first year
- Monthly marketing fund of \$1000/month for the first year
- Marketing start up kit (valued at \$7000)
- Uncapped earnings
- Full-training & ongoing support
- All business operations managed by the support office

Limited capital needed. Buy your territory, complete your training and get started building revenue straight away.
